My First Discoveries Talking Books

My First Discoveries Talking books introduce young learners to key curricular content whilst improving their reading, listening and pronunciation skills in English.

Touch the talking pen to the text to listen to the narration. Touch it to the illustrations to hear fun sound effects, and a wealth of relevant vocabulary.

Audio material included

- a complete recording of the text, read by professional American actors
- key vocabulary linked to the illustrations on every page of the book.
- over 20 fun sound effects per title to help children, engage, understand and learn.

Learning outcomes

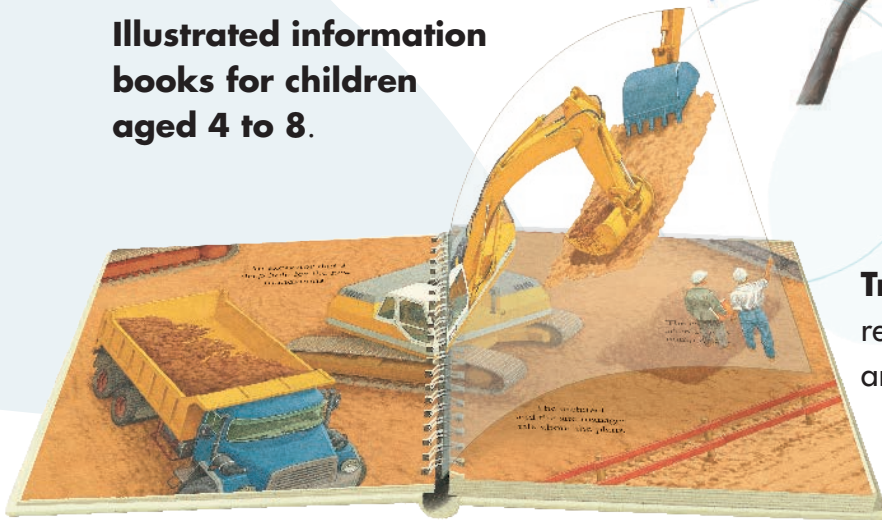

- improved reading, listening and pronunciation skills in English.
- greater interest and knowledge in key curricular content areas: English, Science, Geography, Art and History.
- improved higher and lower order thinking skills.

My First Discoveries

Beautiful design and captivating illustrations hold children's attention, spark their curiosity and facilitate understanding.

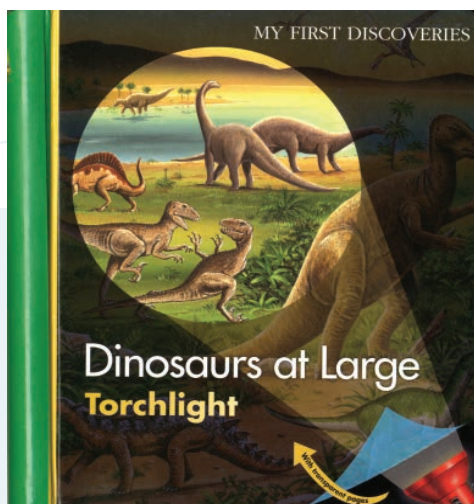

Illustrated information books for children aged 4 to 8.

Transparent overlay pages reveal hidden surprises, link ideas and show how things evolve.

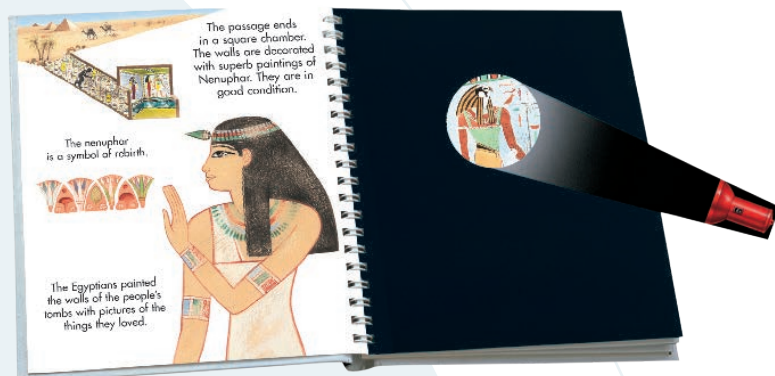

My First Discoveries Torchlight

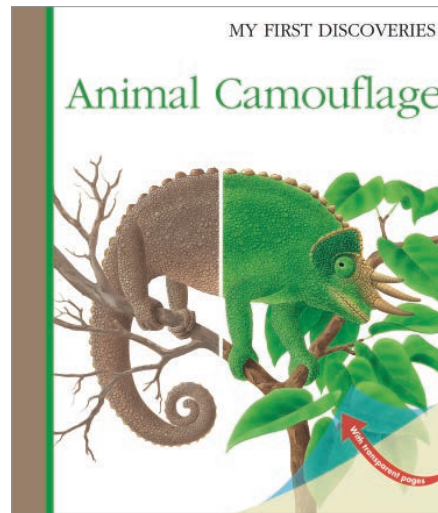

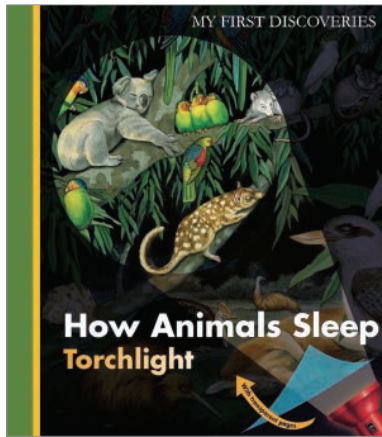

A magic paper torch:

- lights up **one small part** of the illustration **at a time**.

- reveals **a world of hidden detail** on the darkened transparent pages of the book.
- creates a sense of **discovery** and **fun**, and helps **develop children's attention span**.
