**Beautiful design** and **captivating illustrations** hold children's attention, spark their curiosity and facilitate understanding.

**Illustrated information books for children aged 4 upwards**

**Transparent overlay pages** reveal hidden surprises and show how things evolve.

## My First Discovery Paperbacks - Torchlight

### A magic paper torch:

- lights up **one small part** of the illustration **at a time**.
- reveals **a world of hidden detail** on the darkened transparent pages of the book.
- creates a sense of **discovery** and **fun**, and helps **develop children's attention span**.
